

Summit High School PTO Scholarship

Through generous donations from Summit High School parents, PTO scholarships are awarded each year to SHS seniors.

Scholarships Announced: The Guidance Department sends out a full list of scholarships available to all parents of seniors at the end of February. Historically, in past years, there are over 100 awards given totaling over \$200,000. The PTO Scholarship is just one of the many scholarships for seniors to consider. Look for your letter in the mail and encourage your senior to apply!

PTO Scholarship Award Eligibility: Graduating SHS senior planning further study at a vocational or technical school, a 4-year college or a 2--year college that through their involvement in the SHS community has demonstrated a positive impact on the quality of SHS student life. This can include involvement in academic pursuits, clubs, community service, sports, the arts, theater, and music, etc. This award is merit based.

Required Submission: SHS PTO Scholarship form, essay and character reference.

Application Deadline: Student must submit completed application to the Guidance Department by the end of March. See Guidance Department guidelines for exact date.

PTO Scholarship Committee: The decision committee is comprised of one Summit resident from each of the five elementary districts within town. Persons sitting on the committee may not have a SHS senior but may or may not have school aged children. A member of the SHS Guidance Department also sits on the committee as a non-voting member.

Award Notification: The PTO sends out award letters at the end of May. Award recipients are also noted in the graduation program.

The SHS PTO proudly recognizes past scholarship recipients.
